Welcome to the new school year at Bond Academy/Bond International College. Your success is important to us. Our goal is for you to attend class each day to learn and to achieve your credits. The Bond programme is intense but rewarding. You should plan for homework after each class to prepare yourself for work at the next class.

The following guidelines have been put together so that you clearly understand what is expected of you at Bond Academy/Bond International College. If you have any questions, please speak to your teacher, Student Services, or the Principal/Vice-Principal.

A course calendar is also available for you to use as a resource for school and Ministry expectations, guidelines and your success upon completing all requirements of an OSSD.

It is the responsibility of every Bond student to know the information in this booklet and act accordingly.

CODE OF BEHAVIOUR

Goals

The **Code of Behaviour** has been established by Bond to ensure:

- All members of this school community are treated with respect, courtesy and dignity.
- Teachers will have the opportunity to teach and that students will have the opportunity to learn.
- All students will have the opportunity to participate fully and safely in school, whether it be in the classroom, the school yard, special events, sports, extracurricular activities or school trips.
- The expectations for appropriate behaviour are identified and taught.
- The process for ensuring that these expectations are followed is consistent and familiar.
- Everyone will develop an appreciation of the impact of their behaviour, both positive and negative, on others.
- Students learn that rules, policies and procedures provide guidelines for behaviour, but that control of behaviour will be internalized as self-control.

Responsibilities

Everyone has the responsibility for ensuring the success of Bond's Code of Behaviour. The general expectations are outlined below:

Students:

- Treat everyone with courtesy, respect and dignity.
- Learn the rules.
- Complete assigned work.
- Act in a safe manner.
- Accept and follow the rules and regulations of the school.
- Accept responsibility for their actions.
- Use acceptable strategies to resolve conflict. If necessary, students will be taught appropriate alternatives for resolving conflict.
- Promptly respond to the instructions of supervising staff.

Staff:

- Treat everyone with courtesy, respect and dignity.
- Ensure that students and parents are aware of the policies and expectations of the school.
- Communicate with parents.
- Design strategies that focus on and acknowledge positive behaviours.
- Ensure that they address inappropriate behaviours.
- Maintain a consistent approach, acknowledging positive behaviours and addressing negative behaviours.
- Teach the students alternatives to negative behaviour.

Parent(s):

- Treat everyone with courtesy, respect and dignity.
- Ensure that students and parents are aware of the policies and expectations of the school.
- Discuss and reinforce the expectations with their son/daughter.

The Process for Addressing Inappropriate Behaviour:

- Staff and students will be responsible for identifying and addressing inappropriate behaviour.
- In a conflict situation:
 - Supervising staff will intervene and issue instructions designed to terminate the conflict.
 - Students are responsible for responding immediately to those instructions.
 - Staff will determine a time and location to provide an opportunity for resolution of the conflict or to deal with inappropriate behaviour.
- The process for resolving the conflict is designed to:
 - Provide an opportunity for the students involved to present their viewpoints.
 - Assist students to identify:
 - the degree of their responsibility in the conflict situation.
 - the positive and negative components of their actions.
 - Teach alternate behaviours with the clear expectations that students will accept responsibility for using more appropriate behaviours in the future.
 - Give the students ownership of the problem, actively involve them in determining a solution and, through this process, teach self-discipline.
 - Assist staff in assigning the most appropriate consequence(s).
 - **A detention(s) may be assigned by the teacher/Principal for a period of time to help rectify the inappropriate behaviour.**

Consequences:

In general, a progression of possible consequences for persistent inappropriate behaviour is outlined below:

- A consequence determined by student participation through conflict resolution of an interview process by appropriate school personnel and parental involvement.
Anyone or a combination of the following:
 - Removal of privileges/detention(s) assigned; restitution for damages; behavioural contracts and counselling; police involvement; and/or removal from program.
 - In-School Suspension.
 - School Suspension.
 - School Expulsion with **no refund**.

The above list of consequences is not definitive, nor would the consequences necessarily follow the steps in the order that they appear. For example, a student who deliberately injures someone could be suspended without having proceeded through the various steps. While it is the goal of the school to teach appropriate behaviours, **the safety of everyone must be given highest priority.** Students are reminded that attending Bond Academy should be a rewarding experience for all students.

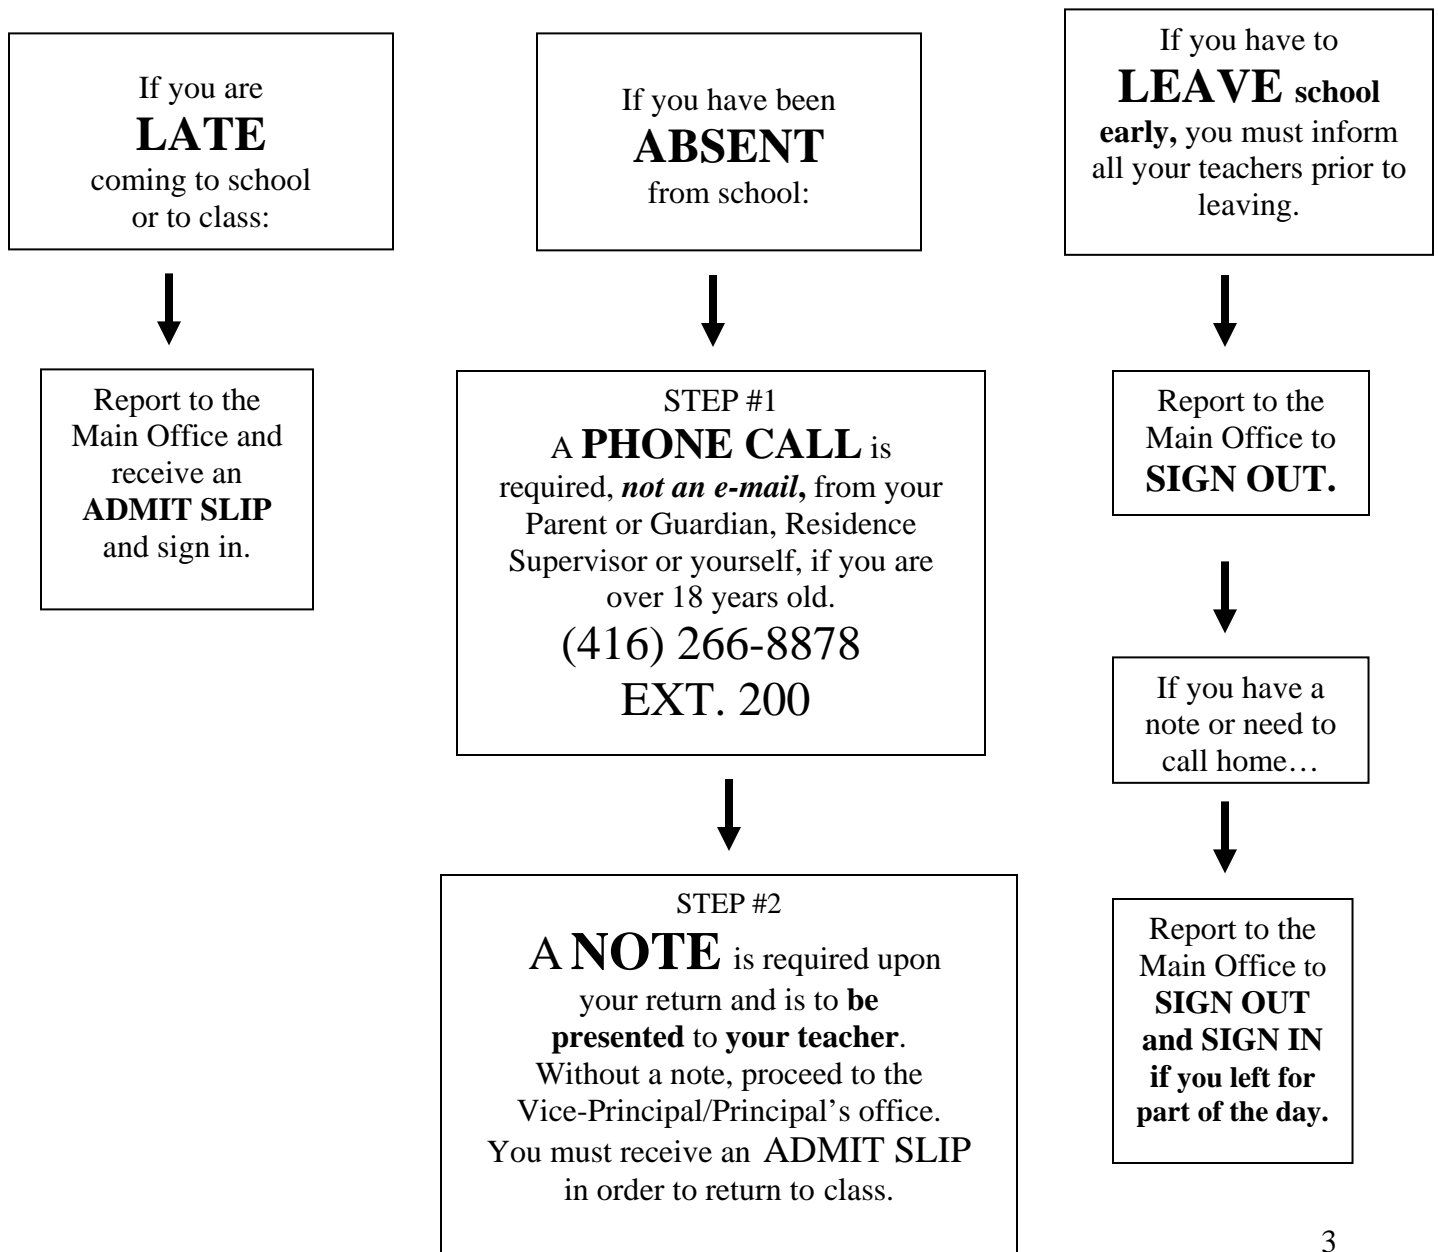

Textbooks:

Textbooks are to be purchased by students. There are some textbooks for ESL that are available to rent, otherwise a list of the required textbooks is made available at the beginning of each semester and term.

The school website provides a retail store that can provide you with the books if you wish to buy them from this store. The link for the textbook list is as follows: www.bondacademy.ca: go to **curriculum; secondary; Textbooks for Grades 9, 10, 11, 12**. You can order these books on line and they will be delivered to any address you wish (including the school). You will need a credit card to make your order. Some books for ESL can be rented.
